

2022 China Equities Sales and Trading Summer Analyst

Your program's highlights

Join us as a China summer analyst in our Equities franchise! This is a 10-week program designed to give students a taste of life at the world's leading integrated Wealth Manager and Investment Bank, with the potential to join the Graduate Program.

Over the course of the internship you will make valuable contributions to the bank's work, develop skills, expand your knowledge and grow in confidence. Your participation in the real-world business challenges presented by Sales and Trading across multiple markets in real-time will allow you to expand your experience and build valuable networks across the wider firm.

Start Date: June 2022

Duration: 10 weeks

Location:

- Sales internship based in Shanghai
- Trading internship based in Shenzhen

Program elements include:

- One day orientation followed by first week training
- Mid-term and final review to gauge your progress vs. your objectives
- Summer speaker series where you'll hear from senior representatives across different divisions
- Mentorship from an experienced member of the business
- A balance of work, social events and networking opportunities

Your field of responsibility

This will be a structured program in the Equities sales or trading business. There will be invaluable hands-on and shadowing experience to enhance your personal development.

Throughout you will receive invaluable on-the-job training, guidance and mentoring that will further develop your skills and knowledge.

Your future colleagues

Be part of the dynamic and innovative environment that is the trading floor, delivering outstanding investment solutions to our global institutional client base. Equities, with its global distribution and reach, is core to the Asia Pacific business model in delivering long-lasting value to our clients.

We are a department which values Diversity and Inclusion (D&I) and is committed to realizing the firm's D&I ambition which is an integral part of our global cultural values.

Your qualifications and skills

You will be graduating between December 2022 – June 2023 with an undergraduate or post graduate degree and must be available between June – August 2022. Whatever your background, you have keen interest in financial markets!

You have:

- Proficient written and spoken communication skills in English and Mandarin
- Familiarity of coding languages, statistics, or mathematics is valued
- Excellent analytical skills, initiative, and a proven problem solver
- Experience working in a team, collaborating with others to achieve strong results

You understand the value of diversity in the workplace and are dedicated to fostering an inclusive culture in all aspects of working life so that people from all backgrounds are treated equally and can bring their full, authentic selves to work to realize their full potential.

Your new employer

Find a new home for your skills, ideas, and ambitions. Credit Suisse offers you the ideal environment to progress your career, attractive benefits and excellent training.
