What is Bernstein?

Bernstein is widely recognized as Wall Street's premier sell-side research and brokerage firm, with a global equity trading platform that spans the U.S., Europe, and Asia. Our firm was founded in the U.S. in 1967, in the U.K. in 1999, in Hong Kong and Singapore in 2010 and in Mumbai in 2018. Our research and trading capabilities are sought out by leading investment managers around the world, and we are annually ranked at the top of our industry by acknowledged arbiters. In independent surveys of major institutional clients, Bernstein's research is ranked #1 for overall quality, industry knowledge, most trusted, best detailed financial analysis, major company studies, most useful valuation frameworks and best original research.

Research has always been Bernstein's calling card. The brand is defined by our renowned *Blackbooks*, known for their unbiased, in-depth company and industry forecasts. We have a community of Research Analysts who are acknowledged thought leaders that typically have many years of experience in the industries they cover. Our reputation is for the very highest caliber of independent and disciplined investment and industry analysis. We are a wholly-owned subsidiary of our buy-side parent, AB.

Who will you meet?

Jenny Ku, Senior Research Associate, Asia-Pacific Gas Oil & Gas, Global Fuel Cells

Jenny joined Bernstein in December 2018 and is a Senior Research Associate on the Asia-Pacific Oil & Gas, Global Fuel Cells team. Jenny completed a bachelor degree in Experimental Psychology from the University of Oxford with First Class Honors. She previously held the role of Assistant Manager at KPMG.

Kate Xiao, Senior Research Associate, Asia Industrial Technology

Kate joined Bernstein in July 2017. Before joining the Asian Industrial Technology team, Kate was part of the Asia Equity Sales team covering clients across Hong Kong and mainland China. Prior to Bernstein, Kate worked in Barclays and Morgan Stanley in various capital markets functions. Kate holds a Bachelor of Business Administration degree from The Chinese University of Hong Kong. Kate is a CFA charter holder.
