2022届毕业生 招聘开启

■企业介绍

“Inspire the Next” —When society changes, Hitachi wants to be the agent of that change. The driving force behind this change is the passion of each individual. This is who we are. Will you come build the next hundred years with us? Let's take the dreams of each individual person, combine them with the dreams of Hitachi and the global society, and together achieve an even larger dream without limits.
